

Unitron uMic™ is a personal wireless microphone system that lets patients hear their companions more easily in challenging listening environments. uMic allows streaming of a speaker's voice to Unitron wireless hearing instruments via uStream, uDirect™ 3 or uDirect 2. This process improves the experience when listening to a speaker or sound source in a noisy environment, or over a distance of up to 20 m (65 ft).

Description

- 1 Volume adjustment (up)
- 2 Volume adjustment (down)
- 3 ON/OFF switch
- 4 Power input (mini-USB)
- 5 Microphone opening
- 6 Status light
- 7 Eyelet for lanyard
- 8 Retaining clip

Special features

Compatible with uStream, uDirect 3 and uDirect 2

Easy and quick setup

No line of sight to hearing aids necessary

Up to 20 meters (65 ft) transmission range

Digital volume adjustment of speaker's voice to the uStream, uDirect 3 and uDirect 2

General information

Dimensions (LxWxH):	52 x 22 x 12/18 mm (2 x 0.9 x 0.5/0.7 inches)
Weight:	13 g (0.46 oz)
Color:	Cashmere silver
Operating conditions:	The product has been designed for trouble-free operation without restrictions when used as intended, unless otherwise stated in the user guide -10°/55° C (14°/131° F) and relative humidity of <95% (non condensing)
Storage and transportation conditions:	-20°/60° C (-4° F to 140° F) and relative humidity of <90% for a long period of time

Power supply

Battery:	Lithium Polymer 3.7 V DC Embedded, non removeable
Charging time:	2 hours (typical) Charging time depends on initial battery state Full performance is achieved after three complete charge and discharge cycles
Capacity:	200 mAh (typical)
Operating time:	Up to 8 hours streaming
Charging input:	Type: DC, stabilized 5 V +/- 5% Mini USB port Maximum input current: 300 mA The battery cannot be over-charged. It may become warm during charging.
Important notice	It is recommended to only use the original Unitron charging unit

Audio information

Audio quality:	Speech, omni directional microphone
----------------	-------------------------------------

Bluetooth

Bluetooth profiles:	Advanced Audio Distribution Profile (A2DP) Optimized for use with uStream, uDirect 3 and uDirect 2 Compliance to non-Unitron devices is not guaranteed
Frequency range:	2402 to 2480 mHz
RF power	100 mW max.
Bluetooth range:	Up to 20 m (65 ft)
Bluetooth compliance:	Bluetooth version 2.1, Class 1
Max. paired devices:	4
QDID:	B019653
